

Spanish Progression Curriculum Map

Through our Curriculum Drivers, 'Include, Create, Perform', at New Bewerley, children are inspired and excited by a relevant, broad, vibrant and ambitious foreign language curriculum with a wide variety of topics and themes. As Spanish speakers, all children, through Language Angels, are taught to develop four key Spanish language skills; listening, speaking, reading and writing, as well as, necessary grammar.

Our progressive foreign language curriculum enables pupils to use and apply their learning in a variety of contexts, ensuring solid foundations for future language learning at key stage 3.
