Reception Summer 2

newbewerley.leeds.sch.uk

Welcome back

We hope you have all had a great half term break and enjoyed all the hot weather we have had. Don't forget to make sure your child has a water bottle and hat with them each day and that you have applied sunscreen before school on sunny days as we are unable to do this for them. Although the weather is finally improving, please remember to send a lightweight jacket in as well just in case it rains.

Attendance is important

We are aiming for 96%! Please make sure your child is in school every day for 8:45am. If your child is ill, please let the School Office know as soon as possible.

What are we learning?

This half term, our topic is 'Wiggle, hatch, fly!' We will learn all about different mini-beasts and look at different habitats, some of which we will also explore when we go on our trip. We will read lots of different books and our author study will be on Oliver Jeffers. The children have enjoyed learning about a different author every half term. We will also continue learning phonics sounds using our new scheme Read, Write Inc. The children have worked really hard to learn the new images linked with the different sounds and learn the rhymes to help with letter formation. In Maths, we will be learning about sharing and grouping, working with numbers to 20, doubling, and halving, and we will explore Patterns as well.

Save the Date!

Thursday 4th June
Story bus in school

Friday 19th June
RWI phonics workshop

Monday 29th June
Trip to Skelton Grange

Tuesday 30th June
Sports Day

Friday 3rd July
Carnival (PM)

Wednesday 8th July
Summer Fair (PM)

Friday 10th July
In Harmony Summer Concert (10am)

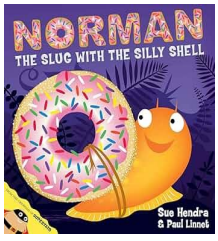
Friday 17th July
School closes for summer

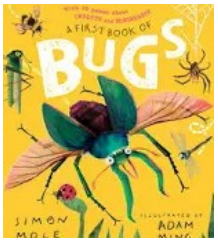
Trip to Skelton Grange – Monday 29th June

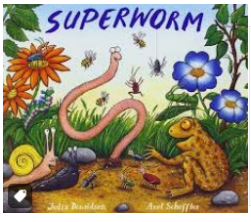
Our trip this year will be to Skelton Grange to learn more about mini-beasts and explore the outdoors. Skelton Grange is an environment centre with lots to offer and perfect to support our topic on mini-beasts. On the day of the trip, children need to wear their unform and sensible shoes as we will be outside all day. Please ensure your child is on time for school and send your child with a full water bottle. School will provide a packed lunch for all children who usually have a school dinner.

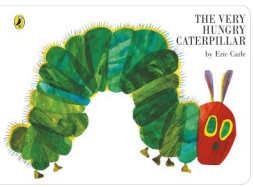
The environment centre's website is www.tcv.org.uk if you would like to have a look with your child.

Thank you to those who have paid £15 towards trips and experiences for this year. There are still some outstanding payments; please pay on Arbor or at the school office as soon as possible.

Books we will be reading this half term...








These are available on YouTube if you would like to share the stories with your child/ren.
