WELCOME BACK!

Welcome back to our Year 1 children, and a huge welcome to our new reception children!

We are really looking forward to getting to know your child and having lots of fun together. Staff will spend time to find out more about your child—what they enjoy and how they like to learn—so that we can have the best learning environment where everyone can thrive.

ATTENDANCE

We are aiming for 96% or above for every child.

Please ensure that your child is in school every day and on time (by 8.50am). School gates open at 8.35am and classroom doors open at 8.45am. School finishes at 3.15pm.

Please wait on the playground until the class teacher unlocks the gates at the beginning and end of the day to prevent disruption to learning.

Punctuality is important! Being late for school can result in children missing important classroom experiences and learning. If for any reason your child can not be in school, please call the school office before 9.30am.

HAVE YOU GOT ARBOR?

We are using Arbor to communicate with parents. Please download the app from your app store. We are working towards parents being able to choose lunches, book appointments and parent consultations, track attendance and update information using the app.

If you need help please go to the school office.
