UKS2 SCHOOL UPDATE AND LOOKING INTO SPRING 2...

Dear parents and carers,

The UKS2 team all hope you have had a restful and enjoyable half-term break. We have lots to look forward to in our learning as we continue to consolidate Year 6 concepts in preparation for the upcoming SATs.

From Monday 23rd February, Year 6 classrooms will be open for revision from 8.25am each day, Monday-Thursday. Please encourage your children to bring their revision guides and/or practice papers and they will receive support from staff in school with their SATs preparations.

Don't forget we have the parent consultation meetings for Year 6 children in the first week of term, where we will discuss your child's attainments and progress and let you know how we are supporting them in school and how you can support them at home.

As a school, we are focusing on improving children's basic skills including **spelling, handwriting and timetables.** We ask that you speak to your child about their spelling homework and weekly spellings and encourage them to practise.

We also ask that you encourage your child to read at home at least **3x per week** and fill in their home school reader to earn raffle tickets and be entered into our end of term reading raffle.

Finally, we would like to see children actively using Times Tables Rockstars to improve their speed.

Punctuality is important! Being late for school can result in children missing important classroom experiences and learning.
