

Year 6 Newsletter

May 2019

Dear Parents and Carers,
Welcome back! We are now officially in the last term of the year and have lots of things in-store for this term to keep us all busy.

SATs Support

As the time for SATs is looming upon us, we are all working really hard to ensure that the children are adequately prepared to achieve their very best. In the last stint before SATs, please make sure that your child is using the CGP revision books that were purchased by school. They will really support your child in the final days leading up to SATs. In addition, all the Year 6 teachers are providing extra interventions to support as many children as possible.

A letter of advice for SATs was given out last week but is also available on the school website to view.

Please encourage your child to access as many of these as possible in order to have a positive impact on our learning.

Mobile Phones

We are having increasing numbers of children who are bringing in mobile phones to school. Please can we remind you that **mobile phone are banned** in school. If children need them for the journey to school, they need to drop them off at the office where they will be held securely. (Unless they are kept in the classroom cupboard as agreed by the class teacher)

Attendance and Lunch Menus

It is vital that children attend school every day and arrive at school on time. Please ensure your child is in school by 8.50 am every day. If your child arrives after 9.00 am, please bring them to the main office to get a late mark. In addition, the children now are given meal options allowing to them to have a choice for lunch time. This is done alongside the register. Therefore, if children are late, they may not get the chance to select the meal of their choice.

As ever this will be a very busy term in Year 6 as we are on the run up to SAT's and the transition to high schools. If you have any concerns or questions about anything then we are more than happy to discuss these at an appropriate time

Thank you for your continuing support
From all the Year 6 staff.
