

Dear Parents/Carers.

COMIC RELIEF/ RED NOSE DAY – FRIDAY 19th MARCH 2021

If you are not already aware, Friday 19th March is "Red Nose Day". If we've learnt one thing in the last 12 months, it is that life can be unpredictable. One thing we can always rely on is the power of working together for a collective positive goal to make us feel stronger and happier.

With that in mind, New Bewerley are going to, with your help, fundraise for Red Nose Day in two ways this year;

1. Your child will take part in Yoga and mindfulness activities.

Since March began, we have dedicated time for relaxing activities in class such as Yoga and mindfulness activities, to boost feelings of positivity and calm during these unprecedented times. On Friday 19th March, to raise money for Red Nose Day, each class at New Bewerley will be dedicating more time for the children to just 'be' and enjoy further Yoga / mindfulness activities. On Friday 19th March, we will be focusing upon strategies to help us feel calm, sleep well and relax when we feel a little anxious.

2. Your child will be able to attend School on Friday 19th March dressed up as a Super Hero.

Everyone in the New Bewerley Community over the past few months, have in their own special way, been a super Hero at one point or another. Friday the 19th March is the time to celebrate our inner Super Hero! Your child can come to school for the day dressed as a Super Hero. Either their favourite famous Hero or a completely made up Hero, we will all enjoy celebrating together for such a worthwhile cause!

We are asking for a small donation from parents / carers of £1 per child to take part in the above, contributions will need to be made through School Money.

Stephen Lawrence
EDUCATION STANDARD

All the money raised for Red Nose Day on the 19th March will be donated to Comic relief. Comic Relief continues to make a positive difference to the lives of millions of people across the UK and around the world. Please visit comicroelief.com/primary for further details about Comic Relief.

Thank you for supporting this worthwhile event. Yours sincerely

Mrs Stamer (PE Lead) and Miss Woolnough (Well being Lead)
