Dear parents and carers,

Here is an opportunity to sign up your child for an arts summer school featuring drawing, sculpting, singing and digital art. The name of the summer school is 'let' s be creative'

There are four strands of activity for each summer school, which you can navigate how you wish over the summer. Four Creative tutors will lead you through an exciting series of workshops, demonstrations and resources, to develop your creative practice at whatever stage you may be at. Please note you will require an internet connection to take part in this activity on either a computer/laptop or smartphone.

The videos will guide you through a different creative theme in our four strands of Arts activities. You will be able to stop and start the video, then you can make along with the video or after watching the demonstration. There are also handouts available which can be downloaded, that you can view on a phone or a computer.

The 'Let' s be Creative' Summer Arts Schools are a widening participation initiative that is part of Leeds Arts University' s Access and Participation Plan, approved by the Office for Students (OfS). The course is very popular and numbers are limited, therefore applications are considered on an individual basis. Applicants from under- represented backgrounds or who live in an area of low participation in higher education will be prioritised.

Deadline for applications is 5pm today. A link will also be posted on the NBCS twitter feed.

Please follow this link.
