Visits

If you or any friends/neighbours have children due to start school in September 2022, please call the school office to book a tour of the school and to meet the teachers. Parents need to make their decision by the 15th January.

Pets in School

To support learners in school we regularly invite animals to school, including dogs, tortoises and guinea pigs. We have completed a risk assessment but need to know if any children have any allergies, fears or phobias to any pets. If so, please contact the school office so that we can update our risk assessment.

Poppy appeal 2021

This year the school raised £238.00. Thank you to everyone who supported the Royal British Legion.
